

MEMORANDUM OF UNDERSTANDING ON COOPERATION
BETWEEN
OSAKA UNIVERSITY OF PHARMACEUTICAL SCIENCES, JAPAN
AND
SCHOOL OF CHINESE MEDICINE,
HONG KONG BAPTIST UNIVERSITY, HONG KONG

With the object to promote academic cooperation in scientific research and nurturing of talents, Osaka University of Pharmaceutical Sciences, Japan and School of Chinese Medicine, Hong Kong Baptist University, Hong Kong agree to conclude this memorandum of understanding (MOU).

Article 1. The cooperation consists of the following academic activities. The details of the activities based on this MOU will be discussed and mutually agreed upon by the two parties.

- (1) Exchange of information and printed materials
- (2) Exchange of faculty members and researchers
- (3) Exchange of undergraduate and graduate students
- (4) Planning and implementation of lectures, symposia, conferences and workshops on topics of common interest
- (5) Undertaking of cooperative research projects on topics of common interest
- (6) Other activities mutually agreed upon by the two parties

Article 2. This MOU comes into effect on the date of signature by the representatives of the two parties for a period of five years. If there is no objection from both parties, this MOU will upon its expiration be automatically extended for another five years.

Article 3. Amendments to this MOU may be made upon mutual agreement between the two parties.

Article 4. Either party may terminate this MOU by giving to the other party six months' notice in writing.

Article 5. This MOU shall not bind either party to any financial commitment.
